The Easter Offering Envelopes returned by individuals with their personal donation to the Methodist Church World Mission Fund will be blessed at this service focusing on every person's right to education.

During the service, representatives (men and women) from each of our Methodist Churches in Tynedale Circuit will be invited to read four stories telling of people who are committed to changing lives and transforming communities through education, and there will be an eight voice dramatised reading.

Please come and celebrate the work of our Partner Churches around the world funded by the World Mission Fund.
