

**Tynedale**  
Methodist Circuit

**Ignite**  
Application for a grant

Tynedale Circuit recognizes that Ignite is a great way for people to engage with God and to explore God's calling on their lives. It requires a significant contribution of time as well as the course cost, which is £250.

Ignite encourage you to make some payment, however small, as a mark of your commitment, but we don't want anyone to miss out on Ignite because they can't afford the money. You can pay in monthly instalments and if you need further financial help in order to take part, we invite you to complete the application below and hand it in to one of the course leaders. The Circuit grant is up to 1/3<sup>rd</sup> of the cost, and you may also be able to get similar help from the Newcastle Methodist District. The course leaders will give you an application form for this.
