

**Notice for all churches in the Newcastle-upon-Tyne Methodist District
International Student Centre 50th Anniversary**

Following the closure of the Methodist International House on Osbourne Road, Newcastle in 1972, the **International Student Centre** (ISC) was established in 1973 in order to make contact with a larger number of students coming to study in Newcastle from overseas. Over the last 50 years thousands of international students and their families have had their time in Newcastle transformed by the dedicated work of the staff and volunteers of the ISC.

The ISC Committee is planning to hold an event in the summer to celebrate and give thanks for all that has been achieved over the last 50 years. We would like to invite anyone who has been associated with the ISC either as a volunteer with our language classes and other activities or as a member of the committee. Without the support we have received over all those years none of this would have been possible so it would be good to reconnect with those who have given their time and expertise.

Anyone wishing to be involved in the 50th Anniversary Celebration should contact myself or the ISC at Brunswick Methodist Church.
